College by design. Design a pathway that leads you towards success, engagement, and purpose as you impact the world around you.

MENTOR
COLLECTIVE

NINER MENTORING

Every Student Deserves a Mentor

- Students will be connected to a fellow Charlotte student based on interests, area of study, needs and preferences.
- Mentors can help make connections but also help students set and achieve goals!

Sign up using the registration QR code!

Tau Sigma - National Transfer Honors Society

- Eligibility: Students must earn 3.5 in the first 12-15 credit hours at Charlotte.
 - Scholarship Opportunities
 - Community and Social Engagement with other Transfer Students
 - Leadership Opportunities

Office of Undergraduate Research

The Journey to Graduation

Academic Advising in University College

Advisor Responsibilities

- To listen
- To be prompt (calls, emails, etc.)
- To provide information about academic services and resources
- To help the student define academic and career goals
- To interpret and explain complex university policies to the student

Student Responsibilities

- To provide accurate and honest information
- To schedule and keep appointments
- To establish an agenda for advising appointments
- To be open to advice and new ideas

Check-in: What questions do you have about University College? About your first semester? About changing majors?

Nobody has responded yet.

Hang tight! Responses are coming in.

Changing Majors-How to once eligible?

Varies depending on major...

- Google forms
- Canvas modules
- Change of major orientations
- Email

Next Steps/Reminders:

- Submit AP, IB, and all final college transcripts.
- Check spring schedule. (Full Time=12+ credit hours)
- Review advising notes in Connect.
- Can always check-in with assigned advisor.

Questions?
